## Courage to fight for my family

Day 1

Thank You Lord for my family's unique skills and talents. Please give us the courage to pursue and take back every lost glory in our family in the name of Jesus. Bless me with strength and courage to stand strong and give godly advice when tough times appear.

## Spiritual Realities of My Family

Lord, open my eyes and cause me to see my family issues clearly!

Show me what I need to see, what I need to know and what I need to observe, so that I may know how to address issues that affect my family.

O God make me see my family as You see my family.

## Family Purpose

Day 5

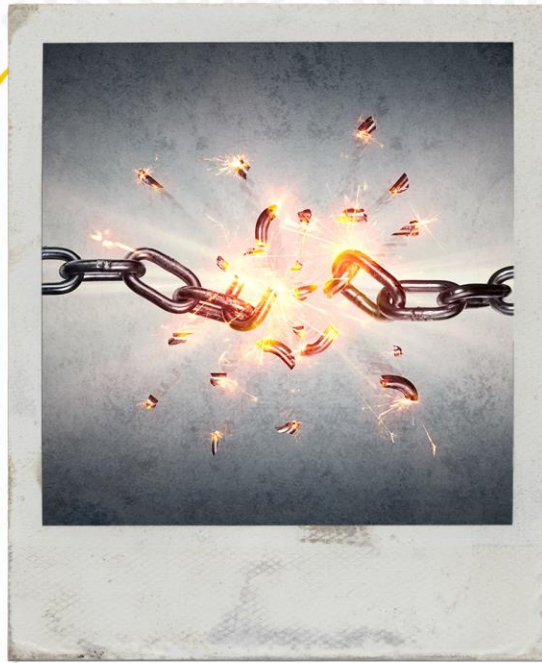

Father, thank You for creating my family with a purpose. We are all so differently wired. Help us have an appreciation for each other's personality, giftings, strengths and weaknesses. Release vision into my parents and siblings so that we may all fulfil our family purpose in our generation. Equip and enable each one of us to be fruitful and enable us shine your light and praise you Father.

## Family Addictions

Day 6

Today I plead for mercy and compassion for my family. In the name of Jesus, I pray that addictions and negative generational patterns be broken, disarmed and destroyed. Curses will not travel to my children or my children's children. They will stop today!

I now claim, in the place of every curse, every spiritual blessing upon my family and me.

## Thanksgiving and Holy Communion

Thank You Lord for my family. Please accept my thanksgiving for all the blessings You have sent our way. I praise You for the supernatural protection of Your angels all around my family, and for sending us divine help in our times of need. I also praise You for giving my family beauty for ashes, the oil of joy for the spirit of heaviness and a garment of praise in place of despair.

May Your splendour be evident in my family.
